Tools: Git, GitHub, MongoDB, MySQL, PostgreSQL, AI Tools Expertise, GenAI, Agentic AI

EXPERIENCE

AICTE (All India Council for Technical Education)

React Front End Developer Intern

Remote

Aug 2025– Sept 2025

- Designing and developing responsive user interfaces for web applications using **React.js**, ensuring cross-browser compatibility and mobile responsiveness.
- Collaborating with the development team to maintain code quality, perform code reviews, and manage version control using **Git**.

AICTE (All India Council for Technical Education)

AI Intern (Edunet Foundation)

Remote

Dec 2025 – Jan 2026

- Developed the core logic for an AI Powered Fitness and Diet Planner using Python, Streamlit, OpenAI API, and REST APIs
- Completed a 6-week internship in Artificial Intelligence & Machine Learning with Edunet Foundation in collaboration with AICTE, gaining foundational knowledge in AI/ML concepts and practical applications.

PROJECTS

Lexilearn AI (EdTech Platform) | Next.js, SQLite, Google Gemini API

- Developed a comprehensive full-stack education platform designed to support students with dyslexia through AI-powered text simplification, personalized assessments, and role-based portals for students, teachers, and parents.
- Tracks every reading session with granular metrics for data-driven insights.

Canteen Management System (Contracted with CRPF) | React, Python (FastAPI), Docker, Redis, Postgres

- Created and designed an entire website for managing the canteen processes.
- Built a high-performance backend using PostgreSQL, Redis, RabbitMQ, Razorpay for payment.

AI Powered Hiring and Recruitment System | Next.js, Node.js, PostgreSQL, Python(FastAPI)

- Developed a full-stack AI-powered hiring portal to streamline candidate screening and recruitment workflows and also integrated AI models for resume parsing, candidate ranking, and skill matching
- Implemented **NLP-based resume parsing** and intelligent ranking algorithms to shortlist candidates based on skills and job requirements.

LEADERSHIP & ACHIEVEMENTS

- **Hackathon Finalist:** National Level Hackathon Finalist, Finalist at OdoovIT Hackathon 2026, TE AI CUP 2025 Finalist.
- **Sports Achievements:** Represented and Lead in Kabaddi, Cricket & Wrestling at intercollegiate and district level.
